LED mirror with three dimming settings

Fitted with a demister pad

850mm in diameter

*The demister pad has a button in the front of the mirror to turn it on and off.

CARE AND USE

Mirrors

For best results use a moistened microfibre cloth to remove dry dirt or grime, followed by cleaning with a dry microfibre cloth. Avoid using alkaline (ammonia) or acid (vinegar) based products you not only risk damaging the silvered backing of the mirror, but also tend to leave behind streaks and smears.
