**GENERAL INFO** **DESIGNED FOR MAINS/TOWN WATER**

**Whole House Dual Water Filter Systems**

Enjoy purified water at every outlet in the house. These systems are designed for mains water supplies reducing chlorine, taste & odour, chemicals and sediment in your water for the budget-conscious householder, giving good general purpose filtration.

This system protects and prolongs life of appliances throughout your home and features long-life filter cartridges. It offers low pressure and flow drops which is important when multiple taps are used simultaneously throughout the day.

The Puretec WH Series is a logical choice for people concerned about sediments and chemicals in drinking water or when showering and will improve quality of life. The system provides spring water quality water throughout the house and is affordable for all.
